Amber Vienna Lager

Fauve Brewing in France 5.1°

This Vienna Lager-style beer is an opportunity to (re)discover the best of amber lager with our Fauve Lager Projekt! We stick to the fundamentals of this style, which has survived throughout the ages by combining the high drinkability of bottom fermentation with the richness of special malts.

Half 5 € | Pint 9 €

Lager Helles

Fauve Brewing in France 5°

'Helles' means pale or bright in English. A beer par excellence, well balanced, combining subtle malt, a noble and sparkling hoppy character, but not overly hoppy, brilliant clarity and an extremely clean yeast contribution..

Half 4.5 € | Pint 7 €

NEIPA Esthétique Brumeuse

Fauve Brewing in France 6°

This NEIPA was brewed for Oktoberfest with a slight twist to celebrate this great annual beer event! Based on the 'classic' NEIPA Fauve, we combined American hops (Citra, which we selected, and Sabro) with a modern German variety, Hallertau Blanc, with its refreshing notes of white wine, blackcurrant and gooseberry.

Half 5 € | Pint 9.50 €

Hara Kiri Triple

Sainte Cru in French 9°

triple brewed with Soirachi Ace and Centennial hops from the brewery Sainte-Cru brewery. With a dense head and silky body, it combines a malty structure with a nice freshness in the finish. Freshness in the finish, freshness in the mouth. The nose is marked by intense notes of citrus fruit, exotic fruits (banana, coconut) and a touch of caramel. On the palate, flavours of fresh herbs (dill, coriander) add to the fruity, malty aromas on the nose. The finale is both sweet and bitter, giving the beer a lively character! A crisp beer to be savoured!

Half 5€ | Pint 9.30€

DIPA BRUTAL MONKEY

HOPPY ROAD in France 8°

A double IPA with a cloudy, slightly orange-yellow colour. Its ultra-tropical nose exudes lively notes of coconut, mandarin, papaya, and then, more subtly, pineapple and passion fruit. This bouquet, reminiscent of a fruit salad, lingers on the palate, supported by a smooth and round texture, and leads to a long, fruity finish reminiscent of ripe mirabelle plums.
