### NEIPA LUPPOLO NOW

LUPPOLO BAR x L'INSTANT Brewing in France 7°

In the dampness of the hops, at the heart of the aromatic jungle, the monster's absolute reign begins. This time, guided by the feverish visions of our allies at Luppolo, it has forged a dangerous alliance between Nectaron and Simcoe hops, nourished by a forbidden elixir: Hyperboost, the pure substance designed by Yakima Chief, the ultimate hop concentrate. The result? A NEIPA of almost hallucinatory intensity — a juicy explosion of tropical fruits, mango and peach, where each sip seems to move forward in the mist. Signed L'Instant x Luppolo, this creation is not just a NEIPA... It's a hoppy apocalypse.

Half 5 € | Pint 9 €

### Hara Kiri Triple

Sainte Cru in French 9°

triple brewed with Soirachi Ace and Centennial hops from the brewery Sainte-Cru brewery. With a dense head and silky body, it combines a malty structure with a nice freshness in the fitter, freshness in the fin de bouche. The nose is marked by intense notes of citrus fruit, exotic fruits (banana, coconut) and a touch of caramel. On the palate, flavours of fresh herbs (dill, coriander) add to the fruity, malty aromas on the nose. The finale is both sweet and bitter, giving the beer a lively character! A crisp beer to be savoured!.
