01 BEERS

Lagueur

Blanche de Pigalle

Instant Brewing in France 4.5°

A beer with a base of barley and wheat malt. Refreshing citrus notes and a lovely, lingering finish—just what you need for the lovely spring and summer days ahead.

Half 5€ | Pint 9.5€ | Happy Hour 8 € (6PM 10PM)

West Coast IPA Sommet de la vague

Instant Brewing in France 6.4°

A beer with amber hues, this IPA is generously hopped, resulting in a very fruity flavour, in the truest style of West Coast IPAs. It stands out for the intensity of its bouquet of aromas and for a bitterness which, whilst present, remains well-balanced. A veritable fruit cocktail, made possible by the combination of two powerful and flavourful American aromatic hops: Mosaic and Citra!

Half 5 € | Pint 9 €

Rice Lager Saku'Rice

Toussaint Brewing in France 4.3°

Saku'rice, inspired by the sakura blossom, is an ode to Japanese spring, offering a tasting experience full of delicacy and precision. The use of rice flakes lends a light, crystalline texture, allowing a great aromatic finesse to shine through. The subtle infusion of royal kombu reveals an elegant umami note, discreet yet profound, which gives the beer structure without ever overpowering it. Finally, jasmine rounds the whole off with an ethereal floral note, bringing freshness and serenity to the finish. A contemporary lager, mild and refined, conceived as a moment of calm and purity.

Half 5 € | Pint 8 €

NEIPA Escape Route

SOQUEE Brewing in France 6.5°

A smooth, heavily hopped NEIPA brewed with Motueka and El Dorado hops to make the most of the pineapple, mango and citrus flavours that burst forth from these highly aromatic hops.

Half 5 € | Pint 9.60 €

Triple Contre Courant

Instant Brewing in French 8.1°

A pale lager with orange hues, it combines two grains: barley and rye. The result is a beer that will appeal to fans of traditional Belgian beers, with that extra L'Instant touch! On the palate: pear and spice notes, a rich, full-bodied flavour accented by a hint of sweetness that lingers beautifully.
