01 BEERS

Lagueur

De Sutter Brewing in France 4.5°

LAGUEUR is a light beer with simple flavours and a mild bitterness.

Half 3.50 € | Pint 6 € | Happy Hour 4.50€ (6PM 10PM)

Blanche de Pigalle

Instant Brewing in France 4.5°

A beer with a base of barley and wheat malt. Refreshing citrus notes and a lovely, lingering finish—just what you need for the lovely spring and summer days ahead.

Half 5€ | Pint 9.5€ | Happy Hour 8 € (6PM 10PM)

NEIPA Conscius

La Débauche Brewing in France 6°

Brewed with French malt and hops, and French water, in Angoulême. Several people say they've heard it crowing 'Cocorico'!

Half 5 € | Pint 9 €

SOUR RUBY RHOD

Kapsyl Brewing in France 6°

Intense and fruity, combining the freshness and rich flavour of raspberries and blackcurrants. A tangy, colourful beer full of character, with a smooth finish.

Half 5 € | Pint 9.50 €

Dunkelweiss Wheat The Fuck

Kapsyl Brewing in France 4.8°

A dark brown colour, a cloud of creamy head, and aromas of banana and caramel that come through as if it were Oktoberfest with every sip. Smooth, indulgent, and dangerously easy to drink: a beer that will win over fans of the style. In short, a dunkel that's anything but dark.

Half 5 € | Pint 8.50 €

IPA N°1

Toussaint Brewing in France 6.8°

A fruity, rich nose. Quite mellow and sweet, with hints of apricot, plum and mango in the background. The heavier, spicier and greener side of the hops is also very prominent. On the palate, the attack comes from these same hops: it is spicy, herbaceous, bitter and dry. It is only thanks to the fragrant notes of peach and apricot that we end with a sweet and tangy finish that lingers.

Half 5 € | Pint 9 €

Triple Horizon

Chromatique Brewing in French 8°

Horizon boasts a brilliant golden colour with amber highlights, elegant aromas of Belgian yeast, ripe fruit (pear, peach, apricot), mild spices (coriander, white pepper) and a floral note, a full-bodied, silky and slightly sweet palate, and a long, warm finish. An exceptional triple to be savoured at leisure.
