Arôme Magique Lichtenhainer

Mogwai Brewing In France 4.7°

Simon has one passion and one problem in life: Maggi. A popular condiment in Alsace for many decades, "Maggi" is a liquid seasoning that can be used to enhance sauces, salad dressings, and all kinds of other dishes. It's smoky, it's tangy, it's salty, it's peppery, it's anise-flavored, and just like Maggi, it goes with absolutely any dish when you have addiction issues like Simon.

Half 5 € | Pint 9 €

Triple Contre Courant

Instant Brewing in French 8.1°

A pale lager with orange hues, it combines two grains: barley and rye. The result is a beer that will appeal to fans of traditional Belgian beers, with that extra L'Instant touch! On the palate: pear and spice notes, a rich, full-bodied flavour accented by a hint of sweetness that lingers beautifully.
